 275. breach of Contract.
- 7b. 276. **Breach:** In the event of a breach of Contract, the non-breaching party may cancel this Contract and/or proceed against the breaching  
 277. party in any claim or remedy that the non-breaching party may have in law or equity, subject to the Alternative Dispute Resolution  
 278. obligations set forth herein. In the case of the Seller, because it would be difficult to fix actual damages in the event of Buyer's  
 279. breach, the Earnest Money may be deemed a reasonable estimate of damages and Seller may, at Seller's option, accept the  
 280. Earnest Money as Seller's sole right to damages; and in the event of Buyer's breach arising from Buyer's failure to deliver the notice  
 281. required by Section 2b, or Buyer's inability to obtain loan approval due to the waiver of the appraisal contingency pursuant to Section  
 282. 2m, Seller shall exercise this option and accept the Earnest Money as Seller's sole right to damages. An unfulfilled contingency is not  
 283. a breach of Contract. The parties expressly agree that the failure of any party to comply with the terms and conditions of Section 1d  
 284. to allow COE to occur on the COE Date, if not cured after a cure notice is delivered pursuant to Section 7a, will constitute a material  
 285. breach of this Contract, rendering the Contract subject to cancellation.

 287. Contract in accordance with the REALTORS® Dispute Resolution System, or as otherwise agreed. All mediation costs shall be paid  
 288. equally by the parties. In the event that mediation does not resolve all disputes or claims, the unresolved disputes or claims shall be  
 289. submitted for binding arbitration. In such event, the parties shall agree upon an arbitrator and cooperate in the scheduling of an  
 290. arbitration hearing. If the parties are unable to agree on an arbitrator, the dispute shall be submitted to the American Arbitration

- 7d. 295. **Exclusions from ADR:** The following matters are excluded from the requirement for ADR hereunder: (i) any action brought in the

 298. agreement for sale; (iii) an unlawful entry or detainer action; (iv) the filing or enforcement of a mechanics lien; or (v) any matter that is  
 299. within the jurisdiction of a probate court. Further, the filing of a judicial action to enable the recording of a notice of pending action ("lis  
 300. pendens"), or order of attachment, receivership, injunction, or other provisional remedies shall not constitute a waiver of the  
 301. obligation to submit the claim to ADR, nor shall such action constitute a breach of the duty to mediate or arbitrate.
- 7e. 302. **Attorney Fees and Costs:** The prevailing party in any dispute or claim between Buyer and Seller arising out of or relating to this  
 303. Contract shall be awarded their reasonable attorney fees and costs. Costs shall include, without limitation, attorney fees, expert  
 304. witness fees, fees paid to investigators, and arbitration costs.

## NOTICE AND DISCLOSURE REGARDING MOLD

There has been some recent publicity regarding the existence of certain types of toxic and non-toxic mold and similar organisms in homes, apartments and commercial buildings. Current information indicates that some types of mold may cause severe health problems for certain individuals.

Real estate agents are not trained to identify mold or similar conditions. Mold is not detectable by a real estate agent – sometimes not even by a professional home inspector or pest control inspector. It is even possible that a property could have a serious but hidden mold problem unknown to the seller.

The only way to provide any reasonable assurance that a property does not have a mold or other health hazard problem is to retain the services of an environmental expert who will conduct specific tests. Normally, these tests will consist of an interior and exterior examination for airborne spores, and a carpet test, though other procedures may be necessary. Any visible mold should be professionally evaluated.

The Purchase Contract contains provisions allowing you to obtain any and all inspections you may desire during the Inspection Period. All inspections, including those to detect mold, should be completed within the Inspection Period established in the Purchase Contract. Since most varieties of mold thrive on moisture, testing is especially necessary if any of the inspection reports or disclosure documents indicate that there is evidence of past or present moisture, flooding or other water intrusion, or standing water in the property.

Your Broker advises you to have these inspections and tests, including those for mold, performed in a timely manner; delays could result in a finding of a waiver on the part of a Buyer of these inspection rights, or even worse, your purchase of a property with hazardous mold.

By signing below, Buyer acknowledges receipt of this notice.
