Progress Report

➤ This Document

This document describes the progress made in the last 2 weeks concerning the development of the AZMLA web store.

➤ Recent Progress

- Theme
 - Discoloration should no longer occur in Safari
 - Borders should work properly in more browsers
 - Lists now work correctly with alternating colors
 - Search box should no longer look wrong when fonts are rendered at certain sizes
 - Now committed to Subversion repository
 - Other small bug fixes
- Presentation
 - Rough draft of PowerPoint for upcoming presentation created
- Modules
 - Fixed many bugs in the Catalog block
 - Fixed bugs in Card_entry module
 - Enabled purchasing options for Ubercart

➤ TODO

- User Profiles for AZMLA board members available for posting about themselves
- Calendar created and linked to Google Calendars
- Bug Fixes for the Catalog Module
- Finish PowerPoint Slides and Do Presentation Prep
